

Student Loan Debt Recovery Services

We provide a uniquely successful skip tracing service, which not only exceeds competitors' results but also responsibly reduces the risk for our clients. Our firm focuses on delivering live, over-the-phone contact between Lenders/Servicers and their hard-to-reach Right Party Contacts. Our highly trained professionals manually locate, contact & transfer the Right Party Contact into our client's collections/resolutions contact center. Our service results in an extraordinarily high conversion rate and allows our clients to come to a positive resolution while making sure we observe our industry's compliance regulations.

WARM TRANSFERS

Our highly trained professionals manually locate, contact, and transfer the Right Party Contact (RPC) into our client's collections resolutions center. Our firm focuses on delivering live, over-the-phone contact between servicers and hard-to-reach RPC's.

DATA VERIFICATION

We have the ability to verify phone numbers, addresses, and help a client better understand their portfolio. We provide clarity in the skip world, helping clients accurately disposition their loans & update their records.

ADDRESS CONFIRMATION

ECS provides an efficient and accurate proven process to help lenders validate if the borrower is still at the property address. ECS can also let the servicer know who is currently residing or renting the property address

EMPLOYMENT VERIFICATION

With this service, the client receives the verification of employment (VOE), with the employer's name, address, and contact information. Many clients move towards garnishment with this service & all VOE's are backed by a call recording.
